

Thirty30 Tennis – Ambassadors Required

Thirty30 (or **T30**) **Tennis** is the **new shorter faster-paced scoring method** that has been created to help encourage the next generation of tennis players and fans.

Rules of Thirty30 tennis are very simple. Everything is **identical** to traditional tennis **except**:

1. All '*Short*' games start from 30-30, announced "thirty-thirty" – the clue is in the name!
2. If a set reaches 6-6, a nine-point tie-break (first to five points) is played, with 'sudden-death' at 4-4.
3. No tie-break in final set.
4. During each set, change of ends after the first two games and then every four after that.
5. Alternate servers for the start of each set.
6. Thirty30 matches are either one 'tie-break set' (20 minutes) or 'best-of-three' sets (40-60 minutes) or 'best-of-five' sets (60-90 minutes).

Why? Thirty30 tennis is an **ALTERNATIVE** scoring method to:

- **Fast4**, i.e. sets to 4 games, tie-break at 3 games-all and no ads ('sudden-death' deuce).
- **10-point match tie-break** (or Super tie-breaker or Champions tie-break). One '*Tie-Break Set*' or one '*Advantage Set*' (lead by two games) of Thirty30 tennis provides an alternative to the use of the 3rd set match deciding '*Match Tie-Break (10 points)*'.
- **Patrick Mouratoglou's Ultimate Tennis Showdown (UTS)**, i.e. timed tennis - 4 quarters each of 8 minutes, tie-break like scoring, playing cards, single serve, etc.
- **8 Game Pro-Set**, i.e. matches are first to 8 games.

Unique Selling Point (USP) of Thirty30 tennis are:

- Thirty30 matches are **shorter** and **faster-paced!** The matches are more **dynamic!**
- Thirty30 maintains the **DNA** of traditional tennis!
- **Every Point Really Counts!** - Every second point played is a game point!
- Thirty30 matches still **feel, look** and **sound** like traditional tennis!
